

REALTOR® Care Day

June 7, 2017

It Takes a
REALTOR®

2017 marks the 13th year, Columbus REALTORS® and local Area Realty Associations have participated in this, our largest, community service day. Last year, we had 22 Area Realty Associations participate in REALTOR® Care Day. This year, we hope to maintain that level of excitement.

If your association will commit to participating in a community service project on June 7, 2017, the Columbus REALTORS® Foundation Fund, will commit to matching funds (up to \$500) to help you in accomplishing your project.

Here's what you'll need to do:

- Identify a local project - something manageable and that can be accomplished in one day and with little 'expertise'. Suggested projects might be: cleaning up a local park, painting a home, landscaping a home or local landmark, etc.
- Establish a budget for the project.
- Submit your Request for RCD Matching Funds Application (reverse) by April 1, 2017.
- Raise money/donations to fund the improvement(s).
- Organize your volunteers to accomplish the project.
- Order REALTOR® Care Day t-shirts for your volunteers to help brand this event!

Columbus REALTORS® will handle the public relations to ensure that your community and the entire Central Ohio area are aware of your efforts.

**By working together, REALTOR® Care Day can make a
real impact throughout central Ohio!**
